2014-2015

Memories to last a lifetime

The Bloomington Ice Garden (BIG) opened in 1970 with one regulation size (85x100) rink. It has grown to 2 regulation size rinks and one Olympic size (100x200) since then. The facility offers open skating, open hockey, developmental hockey, pond hockey, and ice skating lessons. It is home to The Bloomington Ice Garden Skate School, The Figure Skating Club of Bloomington, the Kennedy and Jefferson high school hockey teams, E>Train supplemental training for hockey, a'Xel off-ice training for figure skaters, and many other ice loving organizations. The L'il Flipsters, LLC gymnastics program has classes at BIG. BIG also plays host to many local, regional, national, and international events for hockey and figure skating.

NEW

We now offer the US Figure Skating
Therapeutic program for physically
challenged skaters through our skate
school program.
